

Town of Wolcott
Overweight Vehicle Permit

If you have an overweight vehicle (over 24,000 lbs.) and plan on using a Town of Wolcott highway, you need to contact the Wolcott Town Clerk's Office at 888-2746 for a Wolcott permit form. Present permits expire on March 31, 2005.

This completed form must include a certificate of insurance, permit fee, (\$5 for single/\$10 for fleet) and a self-addressed stamped envelope.

Please note that Wolcott has restrictions for their town highways that is different than other towns.

N O T I C E

In accordance with Title 19, Vermont Statutes Annotated, Sections 1109-1110, the State Transportation Board hereby makes and promulgates the following rules:

In order to prevent the abuse of any highway, or portion thereof, posted under the provisions of these Sections from November 15 to December 31 and from January 1 to May 15, inclusive, in each year, or until adoption and announcement of any modifications of said rules, no vehicle having a weight, including vehicle and load, in excess of the weights specified below, shall be operated on any part of the following classes of highways which are posted under the provisions of these Sections:

	<u>State Highways</u>	<u>Town Highways</u> (Class 1, 2, 3 and 4 highways)
Two-axle trucks	20,000 lbs.	15,000 lbs.
Three-axle trucks	30,000 lbs.	18,000 lbs.
Tractor-trailer units	40,000 lbs.	20,000 lbs.
