Board of Abatement Hearing – parcel #06056

Amy read the letter submitted by Jay Dolan. He is requesting that the board waive the penalty and interest due from his late final tax payment for the 2014-2015 tax year. He thought his taxes were being lowered this spring through grievance so he was late on his payment.

The penalty amounted to \$158.59 and the interest \$21.60 for a total of \$180.19.

The Board reviewed Title 24 V.S.A. 1535 which sets out the circumstances in which the board of abatement can exercise their powers. They could not find any reason that fit his criteria.

Richard Lee motioned to deny the request. Bradley Allen seconded the motion, Motion passed to deny the request.

Sincerely,

Linda J. Martin  
BCA Secretary
