

Wolcott Planning Commission Minutes

Nov. 5, 2019

Members present: Jim Robert, Maxfield English, Bruce Wheeler

Others Present: Lea Kilvadyova (LCPC)

Minutes from the 4/7/19 meeting were approved.,

Broadband for Wolcott

Lea presented the LPCC efforts to explore better broadband service for Lamoille towns including possible better service for Wolcott. Other towns have been exploring better broadband service including Craftsbury which is working with Kingdom Fiber to stitch the whole town together on a high speed fiber network.

We will be exploring the possibilities for Wolcott, including working with Consolidated Comm. to explore what can be done to upgrade the existing system. Check Front Porch Forum for updates on this endeavor. Any information that you can feedback from your own experiences will be helpful.
