

# **PERSONNEL POLICY TOWN OF WOLCOTT, VERMONT**

## **Section 1: TITLE AND AUTHORITY**

This policy shall be known as the Town of Wolcott personnel policy. It has been adopted by the Town of Wolcott Selectboard pursuant to 24 V.S.A. §§ 1121 and 1122.

This personnel policy does not constitute a contract of employment. Employment with the Town of Wolcott is at-will and not for any definite period or succession of periods of time. The Town or the employee may terminate employment at any time, with or without notice. The selectboard reserves the right to amend any of the provisions of this personnel policy for any reason and at any time, with or without notice.

This personnel policy will be administered by the Selectboard or its authorized representative.

## **Section 2: PERSONS COVERED**

This personnel policy applies to full-time and part-time employees of the Town of Wolcott. Except by separate written agreement, elected officers and their statutory assistants, members of Town boards and commissions, volunteers, seasonal/temporary employees and persons who provide the Town with services on a contract basis are not covered by this policy.

For purposes of this policy, a full-time employee is an employee who works at least 30 hours per week on a regular and continuing basis. A part-time employee is an employee who works less than 30 hours per week on a regular and continuing basis. Where a conflict exists between this policy and any collective bargaining agreement or individual employment contract, the latter will control.

## **Section 3: EQUAL EMPLOYMENT OPPORTUNITY**

The policy of the Town of Wolcott is to provide equal opportunity to all employees and applicants without regard to race, color, religion, ancestry, sex, sexual orientation, gender identity, age, national origin, place of birth, marital status, disability, veteran's status, HIV status, pregnancy, genetic information, crime victim status, or any other category of person protected under state or federal law.

## **Section 4: PROBATIONARY PERIOD**

All new employees will be required to complete a three-month probationary period. The purpose of this probationary period is to determine whether the employee is suited for the job. During the

probationary period, an employee may be terminated at any time at the sole discretion of the Town. Notwithstanding any other provision of this policy, an employee terminated during the probationary period will have no right to appeal such termination. During the probationary period the new employee will not have any benefits beyond that mandated by state law, unless the Selectboard waives any of the above and agrees to let the employee have the stipulated benefits during the probationary period.

## **Section 5: CONDUCT OF EMPLOYEES**

All employees are considered representatives of the Town and as such are expected to conduct themselves in a courteous, helpful, and respectful manner in all their interactions with the public, other employees, and elected and appointed officials.

All employees are expected to faithfully execute the duties and responsibilities of their office to the best of their ability and in compliance with the provisions of this personnel policy.

## **Section 6a: HOURS OF SERVICE -**

Regular work hours for employees shall be set by the Selectboard or Library Trustees.

Regular work hours may be changed and employees may be expected to work additional hours that may exceed forty hours in a given week, as circumstances require.

All road crew employees are required to be available for work on an on-call basis, especially during the winter months. If the road crew is called in for less than 2 hours, the town will reimburse the employee for a minimum of 2 hours. All Town employees are required to be available for work in the case of an emergency, weather-related or otherwise.

All employees are expected to be in attendance during established regular work hours. Employees who will be absent from work are expected to notify their supervisor in advance whenever possible. Employees who are calling in sick are expected to notify their Supervisor as soon as possible, but no later than one hour before their scheduled shift.

## **Section 6a: MILEAGE**

The Selectboard will set a mile reimbursement rate annually. Town employees such as the Listers, Town Treasurer, Maintenance Person or other employees will receive tax exempt mileage reimbursement from the Town for Selectboard authorized activities such as attending a seminar or conference for training. If the road crew in the wintertime works their regular shift and is called back in to perform additional work they will be reimbursed for mileage one way to the Town Garage from their home.

**Section 7: GRATUITIES AND GIFTS**

Employees may directly or indirectly, accept or receive a gift or gratuity up to \$100 annually.

**Section 8: OUTSIDE EMPLOYMENT**

The primary occupation of all full-time employees shall be with the Town. Employees may not engage in any outside business activities during their normal working hours. Employees are prohibited from undertaking outside employment that interferes with their job performance or constitutes a conflict of interest as defined in the Conflict of Interest and Code of Conduct Policy.

**Section 9: POLITICAL ACTIVITY**

No employee may use his or her official authority for the purpose of interfering with or affecting the nomination or election of any candidate for public office, or demand or solicit from any individual direct or indirect participation in any political party, political organization or support of any political candidate. Employees are prohibited from using Town facilities, equipment or resources for political purposes and from pursuing political activities while working.

This personnel policy is not to be construed to prevent employees from becoming or continuing to be members of any political party or organization, from attending political party or organization meetings or events, or from expressing their views on political matters, so long as these views are clearly articulated as being those of the individual and not of the Town, and these activities do not interfere with the individual's ability to effectively perform his or her duties and take place or are expressed during non-working hours. Nor is this personnel policy to be construed as prohibiting, restraining or in any manner limiting an individual's right to vote with complete freedom in any election.

**Section 10: NEPOTISM**

The Town – in recognition of the potential for a conflict of interest to occur in the workplace where a close relative is responsible for supervising or evaluating the work performance of another close relative – prohibits the hiring or transferring of relatives, when doing so will result in a close relative supervising or evaluating another close relative, or a close relative supervising or evaluating the immediate supervision of another close relative.

A close relative includes a spouse, civil union partner, romantic co-habitant, parent, stepparent, grandparent, child, stepchild, grandchild, sibling, aunt or uncle, niece or nephew, parent-in-law and sibling-in-law.

## **Section 11: ALCOHOL AND DRUG USE**

The Town intends to maintain a drug-free workplace and workforce. The use of alcohol or illegal drugs and the abuse of prescription drugs are not tolerated in the workplace or at work-related events.

As a Town employee, you are prohibited from working, or presenting yourself for work, while under the influence, or severe after effects, of illegal drugs, controlled substances, and/or alcohol. This policy is designed to promote our goal of providing a safe, healthy and productive work environment. This policy covers all employees, including drivers and other employees who also are subject to drug testing programs performed in accordance with Federal Department of Transportation (DOT) requirements.

It is the policy of the Town to prohibit the manufacture, distribution, transfer, display, transportation, sale, dispensation, possession, consumption or use of illegal drugs, controlled substances, and/or alcohol by Town employees at the workplace and/or during working hours. Prohibited behavior includes manufacturing, distributing, transferring, displaying, transporting, selling, dispensing, possessing, consuming, using, or being under the influence of illegal drugs, controlled substances, and/or alcohol during work hours, on work premises, while engaged in work activities away from work premises, or during work-related events.

For the purposes of this policy, the term “illegal drug” includes both: (a) all state and/or federally controlled substances, including look-alike and designer drugs, and drug paraphernalia, and (b) prescription medications that have not been prescribed for current use by an authorized medical practitioner or that are being used contrary to the prescribing medical practitioner’s instructions. Controlled substances include but are not limited to the following substances: marijuana, cocaine, opiates, amphetamines, phencyclidine (PCP), barbiturates, benzodiazepine, methadone, methaqualone, and propoxyphene.

Violations of this policy may subject employees to disciplinary action, up to and including termination of employment and referral for prosecution. The Town also may provide information and recommendation to participate in an appropriate drug assistance or rehabilitation program.

### Prohibited Conduct:

The following actions are prohibited in the workplace, on municipal property, while using municipal equipment, or during any time period in which you are on municipality business:

- Possessing, consuming, or using illegal or controlled substances, as defined by federal, state, and local statutes. (Controlled substances may be taken pursuant to a properly issued prescription, provided the controlled substance is taken as and in the amount prescribed and so long as the medication does not adversely affect the employee’s ability to perform the essential functions of his or her job).
- Distributing, transferring, displaying, transporting, selling, or possessing with the intent to distribute illegal or controlled substances.

- Possessing or using drug paraphernalia except when used for legal substances and in a legally prescribed manner.
- Being under the influence of illegal or controlled substances as demonstrated by actions and/or other evidence.
- Growing and/or manufacturing any illegal drug or controlled substance.
- Possessing or using alcohol.
- Being under the influence of alcohol.

The limited, responsible consumption of alcohol on or off municipality premises at a Town-sponsored business or social function is permitted, but only if it has been authorized in writing and in advance by the Selectboard.. The Town expects all attendees at such a function to behave in a professional manner and in accordance with Town policies.

The Town reserves the right to search and inspect all areas of the workplace and its premises for the purposes of maintaining a safe and healthy workplace.

The illegal use of prescription drugs is also prohibited. If an employee is legally taking prescription drugs that affect the employee's ability to safely perform any of the essential functions of his or her job, his or her supervisor or the Selectboard will determine whether or not the employee should continue to perform his or her functions until concerns regarding safety can be addressed. Medical certification may be required.

Employees may be disciplined, up to and including termination, for violations of this drug and alcohol section of the personnel policy.

In addition to this policy, employees who operate commercial motor vehicles (CMVs) for the Town are also subject to the provisions of the Town's CMV Drug and Alcohol Policy.

## **Section 12: TOBACCO USE**

In recognition of the hazards that tobacco poses to the health of employees, and in accordance with 18 V.S.A. §§ 1421 et seq. and §§ 1741 et seq., the Town hereby prohibits employees' use of tobacco in any form, including electronic cigarettes, in all publicly-owned buildings, offices and enclosed areas, designated smoke-free areas of Town property, and in all Town vehicles.

### **Section 13: PERFORMANCE REVIEW**

Employees may be asked to participate in a job performance review annually in October or in such a manner as the Selectboard or authorized representative deems reasonable. The purpose of such reviews is for the employee, the employee's supervisor, and/or the Selectboard to give feedback to each other to identify strengths, areas of improvement, and goals for the position. They are intended to ensure ongoing communication in order to enhance job performance and satisfaction and will become a part of the employee's personnel file. The review will state who conducted the evaluation and the key points established during the review. The Library Trustees will be responsible for the Librarian's job performance review annually.

### **Section 14: PERSONNEL RECORDS**

Personnel records will be maintained for each employee of the Town. In accordance with Vermont's Public Records Law, any employee or the employee's designated representative may inspect or copy his or her personnel file at a mutually agreeable time during regular office hours. The Town reserves the right to have its representative present at the time its files are examined or copied.

### **Section 15: USE OF TOWN EQUIPMENT**

Except as provided in Section 16, the use of Town equipment or property for personal use is strictly prohibited. Employees should have no expectation of privacy regarding anything stored in or on Town-owned property or Town-owned equipment, including but not limited to desks, filing cabinets, lockers, and vehicles. Employees should expect that such areas may be searched at any time to retrieve work-related materials or to investigate violations of workplace rules.

### **Section 16: USE OF TOWN COMPUTER SYSTEM**

For purposes of this policy, "computer system" means all computers and devices and any related hardware, equipment, components, or software, including, but not limited to, host computers, file servers, workstation terminals, laptops, tablets, smartphones, internal or external communication networks, the world wide web (www), the Internet, commercial online services, bulletin board systems, backup systems, and the internal and external e-mail systems accessed via the Town's computer equipment.

All electronic communications regarding Town business should be, to the furthest extent possible, conducted via official Town computer systems. A Town employee should avoid conducting Town business using his or her personal computer, device, or account.

The Town computer system is to be used by employees for the purpose of conducting Town business. Occasional, brief, and appropriate personal use of the Town computer system is permitted, provided it is consistent with this policy and does not interfere with an employee's job duties and responsibilities.

Employees should have no expectation of privacy or confidentiality regarding anything created, sent or received on the Town computer system. The Town may monitor at any time its computer system without warning or any specific notice to employees including any and all computer transactions, communications and transmissions for any reason including, but not limited to ensuring compliance with this policy and evaluating the use of its computer system. All files, documents, data and other electronic messages created, received or stored on the Town computer system are open to review and regulation by the Town and may be subject to the provisions of Vermont's Public Records Law.

Employees may not introduce software from any outside source on the Town's computer system without explicit prior authorization from their supervisor. Employees may be held responsible for any damages caused by using unauthorized software or viruses they introduce into the Town computer system.

Employees who have a confidential password to access the Town's computer system should be aware that this does not mean the computer system is for personal confidential communication, nor does it suggest that the computer system is the property of that person.

Transmission of electronic messages on the Town computer system shall be treated with the same degree of propriety, professionalism, and confidentiality as written correspondence. The following are examples of uses of the Town computer system which are prohibited:

- Communications that in any way may be construed by others as disruptive, offensive, abusive, discriminatory, harassing, or threatening;
- Communications of sexually explicit images or messages;
- Transmission of chain letters or solicitations for personal gain, commercial or investment ventures, religious or political causes, outside organizations, or other non job-related solicitations during or after work hours;
- Access to Internet resources, including web sites and news groups, that are inappropriate in a business setting;
- Any other use that may compromise the integrity of the Town and its business in any way.

Nothing in this policy will be interpreted or applied in a manner that interferes with employee rights to organize, form, join, or assist labor organizations, to bargain collectively through representatives of their choosing to the extent allowed by law, or to engage in other concerted activities for the purpose of addressing the terms and conditions of employment.

## **Section 17: PUBLIC RECORDS**

Any written or recorded information that is produced or acquired by a Town employee in the course of Town business is a public record, subject to Vermont's Public Records Law and may be covered by the State of Vermont's retention rules and disposition schedules for municipal records. Although the Town discourages the use of personal computers, devices, or accounts to conduct Town business (see Section 16, above), the use of a personal computer, device, or

account does not prevent an otherwise public record from being subject to public inspection and copying. In the uncommon event that an employee uses their personal computer, device, or account to conduct Town business, the record created, sent, or received should be forwarded by the employee to the employee's Town computer system, or otherwise captured and retained as a Town record. All employees are required to respond in the manner prescribed by Vermont's Public Records Law regardless of where a Town public record may be stored. All employees must provide any Town public records stored in their personal computers, devices, or accounts that are responsive to a public records request.

### **Section 18: HEALTH INSURANCE**

The Town offers group insurance and other health benefit programs to its eligible full time employees. Details about those benefits, as they exist on the date of hire are included as an attachment to this Policy.

The Town reserves the right to change insurance carriers, or to add, delete or amend insurance or other health benefit programs in its sole discretion. The Town also reserves the right to change the amount or percentage of its contribution to the cost of any health benefit program. Employees will be provided with four month's notice of any change in the contribution rate.

### **Section 19: HOLIDAY LEAVE**

Full time employees, or other employees with specifically negotiated contracts who have fulfilled their 90 day probationary period will receive the following paid holiday leave:

- New Year's Day (January 1)
- Memorial Day (last Monday in May)
- Independence Day (July 4)
- Labor Day (1<sup>st</sup> Monday in September)
- Veterans' Day (November 11)\*\*
- Thanksgiving Day (4<sup>th</sup> Thursday in November)
- Christmas Day (December 25)

\*\*In lieu of Veteran's Day, an employee may choose a floating holiday in its place to be taken on another day after receiving approval from their supervisor.

Employees will receive holiday leave pay for the number of hours in the employee's typical work day on which the holiday falls at the employee's regular rate of pay.

A non-exempt employee who is required to work on a holiday will be compensated at the rate of one and a half times the employee's regular rate of pay.

If a non-exempt employee is not required to work on a holiday, hours paid for the holiday will not be included in calculating overtime compensation for that employee.

Holidays falling on a Saturday will be observed the preceding Friday. Holidays falling on a Sunday will be observed the following Monday.

Holidays that fall during an employee's vacation leave will not be charged as vacation leave.

## **Section 20: VACATION LEAVE**

Full-time employees will accrue vacation at the following annual consecutive year rates:

<u>Years of Service</u>	<u>Annual Accrual Rate</u>
1st year	5 days
2nd through 4th year	10 days
5th through 9th year	15 days
10 years+	20 days

Full-time employees will receive vacation leave pay at the employee's regular rate of pay.

Employees are strongly encouraged to take an annual vacation. Requests for vacation should be submitted to the employee's supervisor as soon as possible but not less than one week. If an employee does not use all of the employee's vacation leave in a year it will be forfeited at the end of the calendar year.

An employee who resigns from employment with the Town will be compensated for unused, accrued vacation leave provided that the employee gives at least two weeks written notice of the resignation.

## **Section 21: SICK/PAID LEAVE**

### Definition

For the purposes of this Section of the Policy, the following definition shall apply: "eligible employee" means an employee or an elected official of the Town who: (a) is age 18 or older; (b) works an average of 18 or more hours per week during the year; and (c) is expected to work more than 20 weeks in a 12-month period. This definition includes newly-hired employees and those who are still in their probationary period of employment. This definition does not include an individual who: (i) works on a per diem or intermittent basis; (ii) works only when he or she indicates that he or she is available to work; (iii) is under no obligation to work for the Town; and (iv) has no expectation of continuing employment with the Town.

### Earned Sick Leave

Eligible employees will earn one hour of paid sick leave for every 52 hours worked by that employee. Such leave be awarded to employees in a lump sum at the beginning of the annual period.

#### Accrual Limit

The amount of hours of leave that an eligible employee may accrue in a 12 month period is limited to forty (40).

#### Waiting Period

An employee may not take sick leave during the employee's probationary period.

#### Use of Paid Leave

An employee may use more than 40 hours of accrued leave if it is carried over from the previous years.

Eligible employees may use paid leave in increments no smaller than one hour.

An employee may use sick leave for the purposes below:

- The employee is ill or injured.
- The employee obtains professional diagnostic, preventive, routine, or therapeutic health care.
- The employee cares for a sick or injured parent, grandparent, spouse, child, brother, sister, parent-in-law, grandchild, or foster child, including helping that individual obtain diagnostic, preventive, routine, or therapeutic health treatment, or accompanying the employee's parent, grandparent, spouse, or parent-in-law to an appointment related to his or her long-term care.
- The employee is arranging for social or legal services or obtaining medical care or counseling for the employee or for the employee's parent, grandparent, spouse, child, brother, sister, parent-in-law, grandchild, or foster child, who is a victim of domestic violence, sexual assault, or stalking or who is relocating as the result of domestic violence, sexual assault, or stalking. As used in this section, "domestic violence," "sexual assault," and "stalking" shall have the same meanings as in 15 V.S.A. § 1151.
- The employee cares for a parent, grandparent, spouse, child, brother, sister, parent-in-law, grandchild, or foster child, because the school or business where that individual is normally located during the employee's workday is closed for public health or safety reasons.

Leave may also be used for any appointment or event authorized in advance by the employee's supervisor. Supervisors should consult with the Selectboard if they are unsure whether leave may be used.

Employees must provide notice as soon as practicable of the intent to use earned sick time and the expected duration of the employee's absence. Employees must make reasonable efforts to avoid scheduling routine or preventive health care or other appointments during regular work hours.

Compensation for use of paid leave will be at the employee's regular rate of pay.

Use of this paid leave does not diminish the rights that an employee may have under the Vermont Parental Family Leave Act, 21 V.S.A. § 470.

#### Carryover of Sick/Paid Leave

If an employee does not use all of the employee's sick leave in a year, the employee may carry a maximum of five sick leave days forward to the next year. If an employee has unused sick leave exceeding thirty days, the employee will not be compensated for that excess unused leave.

#### Compensation at Time of Separation from Employment

The Town will not compensate eligible employees for unused, accrued sick leave at the time of separation from employment.

### **Section 22: BEREAVEMENT LEAVE**

Employees may use their accrued sick leave for bereavement.

### **Section 23: PARENTAL AND FAMILY LEAVE**

Eligible employees may receive leave as described in the Vermont Parental and Family Leave Act (VPFLA). This State law will determine employee eligibility, the qualifying reasons for such leave and the length of leave.

The Town reserves the right to designate any qualifying leave of absence granted under this policy as leave under FMLA or the VPFLA. A request for leave must be made to the employee's supervisor. Where an employee's leave request is covered by the VPFLA and the FMLA, the Town will adhere to the law that provides the most benefits to the employee. If an employee is entitled to leave under both the VPFLA and FMLA, the leave periods will run concurrently.

For the purposes of determining the twelve-month period in which an employee may be entitled to VPFLA and/or FMLA leave, the Town will use a rolling twelve-month period measured backward from the date an employee uses such leave.

### **Section 24: SHORT TERM FAMILY LEAVE**

In accordance with 21 V.S.A. § 472a, eligible employees may be entitled to take unpaid leave not to exceed four hours in any thirty-day period and not to exceed twenty-four hours in any twelve month period for the following purposes:

- To participate in preschool or school activities directly related to the academic educational advancement of the employee’s child, stepchild, foster child, or ward who lives with the employee, such as a parent-teacher conference;
- To attend or accompany the employee’s child, stepchild, foster child, or ward who lives with the employee or the employee's parent, spouse or parent-in-law to routine medical or dental appointments;
- To accompany the employee’s parent, spouse or parent-in-law to other appointments for professional services related to their care and well-being; or
- To respond to a medical emergency of the employee’s child, stepchild, foster child, or ward who lives with the employee or the employee's parent, spouse or parent-in-law.

The Town may require that leave (including vacation and personal leave) be taken in a minimum of two-hour segments. At the option of the employee, accrued paid leave may be used. Before taking leave under this section an employee shall make a reasonable attempt to schedule appointments outside of regular work hours. An employee shall provide the Town with the earliest possible notice of the intent to take short term family leave.

## **Section 25: CRIME VICTIM LEAVE**

In accordance with 21 V.S.A. § 472c, eligible employees who are crime victims may be entitled to take unpaid leave for the following purpose of attending a deposition or court proceeding related to:

- a criminal proceeding when the employee has a legal right or obligation to appear at the proceeding;
- a relief from abuse, neglect, or exploitation hearing when the employee is the plaintiff
- hearings concerning an order against stalking or sexual assault, when the employee seeks the order as plaintiff.

A “crime victim” is a person who has:

- obtained a relief from abuse order against a family or household member;
- obtained a court order against stalking or sexual assault;
- obtained a court order against abuse of a vulnerable adult; or
- sustained physical, emotional or financial injury as the direct result of the commission or attempted commission of a crime or act of delinquency and is identified as a crime victim in an affidavit filed by law enforcement official with a prosecuting attorney. This also includes the victim’s child, foster child, parent, spouse, stepchild or ward of the victim who lives with the victim, or a parent of the victim’s spouse, provided that the individual is not identified in the affidavit as the defendant.

At the option of the employee, accrued sick leave, vacation leave, or any other accrued paid leave may be used.

## **Section 26: LEAVE OF ABSENCE WITHOUT PAY**

All requests for leaves of absence without pay for any reason other than those covered by federal or state law must be submitted in writing to the employee's supervisor and must set forth the purpose for which the leave is requested. All leave requests must be for a definite period of time and include a specified date of return.

If a leave of absence without pay is granted, the employee may, at the Town's sole discretion, continue the employee's group health plan coverage by paying the required premium in accordance with the payment schedule established by the Town. Other employee benefits (e.g. sick leave, vacation, seniority, etc.) will not accrue during the unpaid leave period.

### **Section 27: MILITARY LEAVE**

The Town will comply with the requirements of the Uniformed Services Employment and Reemployment Rights Act (USERRA), 38 U.S.C. §§ 4303 et seq., and 21 V.S.A. §§ 491 et seq. Employees who take military leave subject to the provisions of these laws will be granted leave without pay. At the option of the employee, any paid leave accrued prior to the commencement of the leave may be used.

### **Section 28: JURY LEAVE**

At the option of the employee, accrued sick leave, vacation leave, or any other accrued paid leave may be used.

### **Section 29: OVERTIME AND COMPENSATORY TIME OFF**

In accordance with the federal Fair Labor Standards Act, the Town compensates nonexempt employees at the rate of one and one-half hours for each hour actually worked in excess of forty hours in any workweek. Holidays, sick time, and vacation days do not count as hours worked for purposes of calculating overtime.

In place of overtime pay, the Selectboard in its discretion on a case by case basis, may provide nonexempt employees with compensatory time off ("comp time") subject to the following conditions:

- Comp time is earned at a rate of one and one half hours for each hour worked in excess of forty hours actually worked in any workweek.
- An employee receiving payment for accrued comp time will be paid at the regular rate of pay earned by the employee at the time the employee receives such payment.

An employee who has accrued comp time and requests use of comp time will be permitted to use such time off within a reasonable period after making the request, if such use does not unduly disrupt the Town's operations. Requests for use of comp time must be submitted to the employee's supervisor, who will have sole discretion to grant or deny the request. Requests for use of comp time will not unreasonably be withheld.

### **Section 30: RETIREMENT BENEFITS**

Employees and covered persons participate in the Vermont Municipal Employees' Retirement System (VMERS) defined contribution (pension) plan. Details are provided in an attachment to this document.

### **Section 31: EMPLOYMENT HARASSMENT AND DISCRIMINATION**

The Town is committed in all areas to providing a work environment that is free from unlawful harassment and discrimination. Vermont and federal law prohibit employment discrimination or retaliation based on race, color, religion, sex, gender identity, marital status, national origin, age, pregnancy, genetic information, crime victim or veteran status, any other category of person protected under federal or state law, or against a qualified individual with a disability with respect to all employment practices. Vermont law also prohibits discrimination based on sexual orientation, ancestry, HIV status, and place of birth. It is also unlawful to retaliate against employees or applicants who have alleged employment discrimination.

Examples of harassment include the following: insulting comments or references based on a person's race, color, religion, sex, gender identity, marital status, national origin, age, pregnancy, genetic information, crime victim or veteran status, disability, sexual orientation, ancestry, HIV status, place of birth; aggressive bullying behaviors; inappropriate physical contact or gestures, physical assaults or contact that substantially interferes with an individual's work performance or creates an intimidating, hostile or offensive working environment; retaliation against an employee for complaining about the behaviors described above or for participating in an investigation of a complaint of harassment.

Petty slights, annoyances, and isolated incidents (unless serious) will not rise to the level of illegality. To be unlawful, the conduct must create a work environment that would be intimidating, hostile, or offensive to reasonable people.

The Town will not tolerate unlawful harassment based on a person's race, color, religion, sex, gender identity, marital status, national origin, age, pregnancy, genetic information, crime victim or veteran status, disability, sexual orientation, ancestry, HIV status, place of birth, or membership in a classification protected by law. Likewise, the Town will not tolerate retaliation against an employee for filing a complaint of harassment or for cooperating in an investigation of harassment.

All employees, including supervisors and other management personnel, are expected and required to abide by this policy. Employees who are found to have engaged in harassment may face disciplinary action up to and including termination. Any individual who believes that she or he has been the target of this type of harassment, or who believes she or he has been subjected to retaliation for having brought or supported a complaint of harassment, is encouraged to directly inform the offending person or persons that such conduct is offensive and must stop.

Any employee who wishes to report harassment should file a complaint with:

The Selectboard Chair or the Town Administrator.

A prompt, thorough and impartial investigation will be conducted and confidentiality will be protected to the extent possible. If it is determined that unlawful harassment has occurred, the Town will take immediate and appropriate corrective action. No person will be adversely affected in employment with the Town as a result of bringing a complaint of unlawful harassment.

## **Section 32: SEXUAL HARASSMENT**

Sexual harassment in the workplace is illegal under federal and Vermont law and is strictly prohibited. The Town is committed to providing a workplace free from this unlawful conduct. All employees have the right to work without being subjected to insulting, degrading or exploitative treatment on the basis of their gender. It is against the policies of the Town for any individual, male or female, to sexually harass another individual in the workplace. In accordance

with 21 V.S.A. § 495h, the Town has adopted the following sexual harassment policy. All employees are required to read this policy before signing the employee acknowledgement form.

Sexual harassment is a form of sex discrimination and means unwelcome sexual advances, requests for sexual favors and other verbal or physical conduct of a sexual nature when:

- submission to that conduct is made either explicitly or implicitly a term or condition of employment;
- submission to or rejection of such conduct by an individual is used as a component of the basis for employment decisions affecting that individual; or
- the conduct has the purpose or effect of substantially interfering with an individual's work performance or creating an intimidating, hostile or offensive work environment.

Examples of sexual harassment include, but are not limited to, the following when such instances or behavior come within one of the above definitions:

Employees who are found to have engaged in sexual harassment may face disciplinary action up to and including termination.

Any employee who wishes to report sexual harassment should file a complaint with either the Town Administrator or the Selectboard Chair.

A prompt, thorough and impartial investigation will be conducted and confidentiality will be protected to the extent possible. ### **Section 33: EMPLOYEE DISCIPLINE**

The Town of Wolcott has adopted a progressive discipline process to identify and address employee and employment-related problems. The Town's progressive discipline process applies to any and all employee conduct that the Town in its sole discretion, determines must be addressed by discipline.

Under the Town's progressive discipline process, an employee may be subject to disciplinary action, up to and including termination, for violation of the provisions of this personnel policy and/or failure to maintain an acceptable level of performance. The Town may take prior disciplinary action into consideration when disciplining or terminating an employee. Violations of different rules may be treated as repeated violations of the same rule for purposes of progressive discipline.

Most often, employee conduct that warrants discipline results from unacceptable behavior, poor performance, or violation of the Town's policies, practices, or procedures. However, discipline may be issued for conduct that falls outside of those identified areas. The Town also reserves the right to impose discipline for off-duty conduct that adversely impacts the legitimate interests of the Town. The Town reserves the right in its sole discretion to bypass progressive discipline and to take whatever action it deems necessary to address the issue at hand. This means that more or less severe discipline, up to and including termination, may be imposed in a given situation at the Town's sole discretion.

The Town also retains the right to unilaterally eliminate positions or reduce the work hours of a position or positions due to economic conditions, shortage of work, organizational efficiency, changes in departmental functions, and/or reorganization or reclassification of positions resulting in the elimination of a position or for other related reasons.

The Town will normally adhere to the following progressive disciplinary process, but reserves the right to bypass any or all steps of progressive discipline when it determines, in its sole discretion, that deviation from the process is warranted: (1) verbal warning; (2) written warning; (3) suspension (with or without pay); and (4) termination.

Employees are prohibited from engaging in conduct listed below and may receive discipline, up to and including termination, for doing so. This list has been established to provide examples of behavior that could warrant a range of disciplinary sanctions. Appropriate levels of discipline may be based on the severity of employee conduct. This list is not exhaustive.

- Engaging in any illegal activity.
- Refusing to do assigned work or failing to carry out the reasonable assignments of a Supervisor, the Road Foreman, the Library Trustees, or the Selectboard.
- Being inattentive to duty, including sleeping on the job.
- Falsifying a time card or other record or giving false information to anyone whose duty is to make such record.
- Being repeatedly or continuously absent or late, being absent without notice or satisfactory reason or leaving one's work assignment without appropriate authorization.
- Conducting oneself in any manner that is offensive, abusive or contrary to reasonable community standards and expectations of public employees.

- Engaging in any form of harassment including sexual harassment.
- Misusing, misappropriating, or willfully neglecting Town property, funds, materials, equipment or supplies.
- Unlawfully distributing, selling, possessing, using or being under the influence of alcohol or drugs when on the job or subject to duty.
- Fighting, engaging in horseplay or acting in any manner which endangers the safety of oneself or others. This includes acts of violence as well as threats of violence.
- Stealing or possessing without authority any equipment, tools, materials or other property of the Town or attempting to remove them from the premises without approval or permission from the appropriate authority.
- Marking or defacing walls, fixtures, equipment, tools, materials or other Town property, or willfully damaging or destroying property in any way.
- Failure to search for or disclose public records upon request.
- Willful violation of Town rules or policies.

### **Section 34: EMPLOYEE TERMINATION PROCESS**

The Town of Wolcott has adopted an employment termination process. Most often, employee conduct that warrants termination results from unacceptable behavior, poor performance, or violation of the Town's policies, practices, or procedures. However, termination may result from conduct that falls outside of those identified areas. The Town need not utilize this termination process but may take whatever action it deems necessary to address the issue at hand.

The Town also retains the right to unilaterally eliminate a position and thus terminate employment or reduce the work hours for some or all employees due to economic conditions, shortage of work, organizational efficiency, changes in departmental functions, and/or reorganization or reclassification of positions resulting in the elimination of a position or for other related reasons. In such case, this termination process does not apply.

Probationary employees are not subject to the Town's termination process. Notwithstanding any other provision of this policy, an employee terminated during the probationary period will have no right to appeal such termination.

An employee being considered for termination will be provided with written notice. The notice will contain a brief statement of the reasons termination is being considered and the date, time and place of a pre-termination meeting with the employee's supervisor.

At the pre-termination meeting, the employee will be afforded an opportunity to present the employee's response to the reasons for termination. If the employee declines to attend the pre-termination meeting, the employee may submit a written response to the pre-termination notice not later than the scheduled date of the meeting.

Within seven calendar days of the date of the meeting, the supervisor will provide the employee with a written notice informing the employee whether he/she has been terminated. If the employee has been terminated, the notice will provide the general reasons therefore and will also inform the employee of the opportunity to request a post-termination hearing before the

selectboard by giving written notice of such request to the supervisor within seven days. The employee will be informed that the employee's failure to make a timely request for a post-termination hearing will result in such hearing being waived.

If a request for a post-termination hearing is made, the selectboard will provide the employee with a notice informing the employee of the date, time, and place of the post-termination hearing before the selectboard. The notice will inform the employee of his or her right to be represented by counsel, to present and cross-examine witnesses and to offer supporting documents and evidence.

At the post-termination hearing, the employee will be afforded the opportunity to address the basis for termination by hearing and examining the evidence presented against the employee, cross-examining witnesses and presenting evidence on the employee's behalf. The selectboard will make such determinations as may be necessary in the event of evidentiary objections or disputes. When the hearing is adjourned, the Selectboard, under the authority granted by 1 V.S.A. § 312(e), will consider the evidence presented in the hearing in deliberative session.

The Selectboard will render a written decision within fourteen days after close of the hearing, unless otherwise agreed upon by the parties.

**Section 35: SEVERABILITY**

If any provision of this personnel policy or the application hereof to any person or a circumstance(s) is held invalid, this invalidity does not affect other provisions or applications of the personnel rules which can be given effect without the invalid provision or application. For this purpose, this personnel policy is severable.
