

Wolcott Schoolhouse Restoration Committee
March 7, 2019
Meeting Minutes

The meeting was called to order at 6:10 with Chad Roy, Monica Cross, and Linda Brady present.

The February 7, 2019 minutes were approved by all.

Chad will meet with Tyler Mumley of Mumley Engineering, Stowe, Vt. later this month to evaluate structural needs and stages of renovation. A proposal will then be submitted to this committee. Chad will also contact the Preservation Trust of Vermont for a listing of engineering firms for an additional proposal.

The committee agreed a Facebook presence would enhance community support for the renovation project. We will continue this discussion in the spring.

Linda will attend a Grant Seekers Workshop in Waterbury, March 22. Chad will email her a copy of the 2018 Grant proposal before the meeting. This is also a good opportunity to inquire about other grants for the schoolhouse project.

A proposal for a payment of \$150 to Dolly Holton for her artistic rendering of the renovated schoolhouse as a library and community center displayed at Town meeting was made. The proposal was unanimously approved.

We need to ask Linda Martin if the committee can use the designated funds directly or do we need Select Board approval?

The next meeting will be on Thursday, April 4, 2019 at 6:00 pm at the Town Office.

The meeting was adjourned at 7:15.

Respectfully submitted,
Linda M Brady
