

**Wolcott Schoolhouse Restoration Committee**  
**April 4, 2019**  
**Meeting Minutes**

The meeting was called to order at 6:00 with Chad Roy, Monica Cross, and Linda Brady present.

The March 7, 2019 minutes were approved by all.

The Select Board would like an engineer's report on the estimated cost and phases of the schoolhouse renovation.

Tyler Mumley completed his walk around and is preparing a structural report with estimated costs and phases.

In anticipation of safe access and future work in the schoolhouse, it is time to clean up the site as soon as possible. Maybe a volunteer workday could be planned.

Chad will invite a member of the Select Board to attend our May 9th meeting. Planning next steps and a cleanup timeline will be discussed.

The Preservation Trust of Vermont is planning a retreat July 15-16 on Historic Preservation and Community Development. The focus of the workshop is to support communities that are "working on or exploring a building rehabilitation project or a project that strengthens community." Our project supports both of these areas. Linda will get more information on the retreat.

The next meeting will be May 9 at 6:00. The Schoolhouse meetings will now be the second Thursday of each month.

The meeting was adjourned at 6:50.

Respectfully submitted,  
Linda M Brady
