

Wolcott Schoolhouse Restoration Committee
June 13, 2019
Meeting Minutes

The meeting was called to order at 6:00 with Chad Roy, Monica Cross, and Linda Brady present.

The May 9, 2019 minutes were approved by all.

Monica Cross submitted her letter of resignation from the Schoolhouse committee. It was reluctantly accepted. Her input and energy will be greatly missed.

The Select Board has written a job description for the Town Administrator. Hopefully historic preservation will be a priority. What impact will a Town Administrator have on this committee? Since the Schoolhouse is town property, perhaps some maintenance funds could be used for restoration.

Chad will present two asphalt shingle roof bids at the July 17, 2019 Selectboard meeting. He will also request approval for the 2019 grant matching funds.

The Historical has \$2,000 for the Schoolhouse Restoration Committee from the fundraiser last fall. That money could be used for the structural engineers building assessment. Should the floor beams be a priority to allow safe access for the engineers?

Thoughts on the vacant Railroad building:

 Could the Railroad building be used as a Wolcott Railroad Museum by Jim Holton?

 Could the building be used as a mini-community center until the Schoolhouse is restored. It could help engage the community until the Schoolhouse was restored.

Linda will send an invoice to Linda Martin for the Preservation Trust of Vermont retreat July 16-17, 2019.

Lea Kilvadyova, from the Lamoille County Planning Commission, will attend the July 11, 2019 meeting.

The next meeting will be Thursday, July 11, 2019 at 6pm.

The meeting adjourned at 7:15.

Respectfully submitted,

Linda M Brady
