

Wolcott School House Revitalization Committee meeting minutes
1/12/22

Committee Members in Attendance: Linda Brady, Monica Cross, Kurt Klein, Linda Martin, Tom Martin

Guests: Salvador Morales (LCPC)

Salvador Morales called the WSHRC meeting to order at 6:00 p.m.

Kurt Klein motions to approve minutes from December 8, 2021. Linda Martin seconded. Minutes were approved.

1. Information regarding solar energy question and powering the building
 - a. The possibility of implementing solar panels on the School House is there but architectural report will give the definitive answer
 - b. If solar panels on the roof is not feasible, there is space behind the school, but committee is not sure if having panels on the ground would be beneficial
 - c. It was also noted that there is no furnace at the schoolhouse, it needs to be figured out how the building will be heated and cooled
 - d. The wiring of the building is no good and will need to be completely redone
2. Community Support
 - a. In the past there has been overwhelming support for the reuse of the schoolhouse
 - b. The committee is interested in holding weekly/monthly events when the building is safe to be in or hold them on the schoolhouse grounds
 - c. Ideas
 - i. Meals on Wheels
 - ii. Fall community event
 - iii. Community garden event
 - iv. Farmer's market but would be difficult to organize; veggie swap
 - v. Bake sale
3. Update on PTV
 - a. J.B. Hinds is currently still in contact with Lisa Ryan from PTV to get someone out to the School House
 - b. J.B. asks if one person from the committee will act as the point person for an eventual walkthrough of the property
 - c. During the meeting the committee did not identify a point person but would be figured out soon
4. Next Steps
 - a. Decided on point person for eventual PTV walkthrough

Meeting adjourned 6:35 p.m.
